2. In HTC BlinkFeed, swipe right to open the HTC BlinkFeed menu.
3. Tap > Add content.
4. Tap a category to see available content.
5. Select the content you want to add to the feed.

Turn off HTC BlinkFeed

1. From any Home screen, swipe two fingers together slide two fingers from any Home screen.
2. Press and hold the HTC BlinkFeed thumbnail.
3. In HTC BlinkFeed, swipe right to open the HTC BlinkFeed menu.
4. Tap > Remove.

Need more help? Go to Apps > Device Help
HTC Sense® Home
Your home screen adapts to your life. At home, at work, and on the go. Apps automatically get added to the HTC Sense Home widget depending on where you used them.

Set or update your location
1. Tap ✗ > Set locations.
2. Enter the addresses for your home and work locations.

Tip: Checking Connections
Having trouble connecting to the Internet? Try these steps:
1. Tap ⚙ > Settings.
2. If Airplane mode is on, tap the Airplane mode On/Off switch to reestablish your data connection.
3. Wi-Fi can provide additional data coverage. Tap the Wi-Fi On/Off switch to turn it on.
4. Mobile data enables 4G LTE service. Tap the Mobile data On/Off switch to turn it on.
5. Did you set a data limit and exceed it? Tap More > Data Manager, Clear the Limit mobile data usage option.
6. Open the browser and go to a website to test if your data connection is working.

AT&T Services
AT&T Ready2Go
Set up your email, social networking, Wi-Fi, and more.

AT&T DriveMode®
Stay safe while driving. Stops incoming calls and text.

AT&T Locker™
Cloud storage to store, sync, & share your photos, videos, and documents.

Keeper®
An easy-to-use app to manage and access your passwords and user names from your mobile devices and computers.

AT&T Navigator®
Get traffic updates, GPS navigation and turn-by-turn voice directions.

Mobile TV
Watch LIVE, on-demand and downloadable mobile TV including ESPN Mobile TV, Fox News, and more.

Data usage and subscription charges may apply.

Tip: Optimize Battery Life
Switch to Power Saver or Extreme Power Saver Mode
Tap ⚙ > Settings > Battery Manager. Tap the Power saver or Extreme power saving mode switch to turn them on.

Note: Some features may be disabled in order to extend battery life. See the User Guide for details.

Activate Automatic brightness
1. Tap ⚙ > Settings > Display & gestures > Brightness level.
2. With the Automatic brightness option selected, set the limit for automatic brightness.

Check what apps are using your battery the most
1. Tap ⚙ > Settings > Battery Manager > Battery usage.
2. You can disable or uninstall apps that you don’t use.

Note: Maximum standby and use time may vary depending on your current usage patterns, settings, and other factors and conditions.
