**Get to Know Your Phone**

**About Your Phone**

- Front Camera
- Speaker
- Earpiece
- Proximity Sensor
- Volume Button
- Power/Lock Button
- USB/Charger Port
- Back Camera
- LED Flash
- 3.5 mm Headset Jack

**Setting Up Your Phone**

Your phone comes with the SIM card pre-installed.

**Optional: Insert the microSD Card**

1. With the phone facing down, open the card slot cover.
2. Insert the microSD card in the slot on the left with the gold contacts facing up.
3. Close the card slot cover.

**Charge Your Phone**

Before turning on your phone, charge it fully.

Insert the small end of the USB cable into the USB/Charger Port and the other end into the power adapter. Plug the power adapter into an electrical outlet.

**WARNING!** Please use only an approved charging accessory to charge your phone. Improper handling of the charging port, as well as the use of an incompatible charger, may cause damage to your phone and void the warranty.

Additional Information
Your Wireless Device and Third Party Services
Verizon Wireless is the mobile carrier associated with this wireless device, but many services and features offered through this wireless device are provided in conjunction with third parties. Verizon Wireless is not responsible for your use of this wireless device or any non-Verizon Wireless applications, services and products. Verizon Wireless does not control, is not responsible for your use of, and makes no warranties or representations about, any non-Verizon Wireless applications, services and products, including any personal information you choose to use, submit or share with others. Specific third-party terms and conditions, terms of use, and privacy policies shall apply. Please review carefully all applicable terms and conditions and policies prior to using this wireless device and any associated application, product or service.

Hearing Aid Compatibility Information
This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of your hearing aid or cochlear implant, if you have questions about hearing aid compatibility. If you have questions about return or exchange policies, contact your service provider or phone retailer.
